C G/b
So many words 'cause I can't touch you,
Am G
If I could sleep with my arms around you,
F G C G/b
This ink could stay off the page

Am F
We really trust in the little flame
C G/b Dm
And the unnamed god that shields it from the wind
Am C G/b
The little glow, between you and me.

I'm frightened really frightened,
There's a bad time coming,
Grasping hands all around
I'm frightened really frightened,
There's a bad time coming,
Grasping hands all around

Am F
I feel the devil in the air,
C G/b Dm
I feel my insides turn to water,
Am C G/b
But this winter I'll stick to my little flame.

Am F
I'll love the peace between us now,
C G/b Dm
Like a snowdrop of forked white fire,
Am C G/b Am F
I'll love the peace as snow drops love the snow, as snow drops love the snow

There's so much of you here with me,
A great deal of us is together,

Battle Storm

V1 Em D
As the golden arms of the sun
Em D/f# G
reached from under the waves,
G D C
your brand new white sails pushed you from shore.
Em D
Your little boat sailed away
Em D/f# G
As dawn turned to day
G D Em <
And I watched 'til I saw you no more

Em C
Now the storm battles closer
G D/f#
Flashes of iron in the sky
Em C
As the black clad armies, charge together
D Em
Hear them roar, the battle cry.

C D
And I can't reach you
C D
I can't save you
D Em
Don't know if you're alive.

V2 Em D
As the grey arms of the night
Em D/f# G
Close around the town
G D C
You turn on your lights and head for home
Em D
The black snaking road seems alive
Em D/f# G
Sparks before your eyes
G D Em <
Sharpened edges blurred by rain

Em C
And the storm battles over
G D/f#
Flashing lights on the A14
Em C
A speeding highway turned to stone
D Em
With a thundering roar and two mangled machines.

C D
And I can't reach you
C D
I can't save you
D Em
Don't know if you're alive.

Em D
V3 As the bloody arms of war
Em D/f# G
Close around the world
G D C
The last kiss promised your return
Em D
Flashes of news strike her heart
Em D/f# G
Another hero dies
G D Em <
Her lovers photo falls unfurled.

Em C
Now the battle storms closer
G D/f#
Flashes of iron in the sky
Em C
As the black clad armies, charge together
D Em
Hear them roar, the battle cry.

Em C
Now the storm battles closer
G D/f#
Flashes of iron in the sky
Em C
As the black clad armies, charge together
D Em
Hear them roar, the battle cry.

C D
And I can't reach you
C D
I can't save you
D Em
Don't know if you're alive.

Inspired

C G/b C/e F¹³

I catch your eye,

C G/b C/e F¹³

And the flicker of a smile,

C G/b C/e F¹³ C G/b C/e F¹³

But is it me that you see when you look down from the stage.

You talk with me,

Of what has been and what may be,

And what inspired you to do the show that inspired me.

Instr. F¹³ C/e F¹³ C/e G

You say goodbye,

Another place another time,

You'll play the same once again and another girl will earn your smile.

While you're away,

I'll stay home and write and play,

Inspired by your life and your eyes and your smile to reach for me.

Instr. C G/b Am F x 3 C G/b C

I catch your eye,

And the flicker of a smile,

But is it me that you see when you look up on the stage.
